PROFESSIONAL SUMMARY

B.Tech Artificial Intelligence and Data Science student with hands-on experience in machine learning, data preprocessing, model development, and web technologies. Skilled in C++, Python, SQL, and frontend development. Interested in AI, Data Science, and Software Development internship opportunities.

EDUCATION

Bachelor of Technology – Artificial Intelligence and Data Science 2024 – 2028
Sri Krishna College of Engineering, Coimbatore
Currently pursuing 3rd Year

TECHNICAL SKILLS

Programming: C++, Python (Basics), Java (Basics)
Web Technologies: HTML, CSS, JavaScript, React.js
Database: SQL
Machine Learning: Scikit-learn, Pandas, NumPy, Data Preprocessing, Model Evaluation
Core Concepts: Object-Oriented Programming, Data Structures and Algorithms, Debugging
DSA Topics: Arrays, Strings, Linked Lists, Trees, Graphs, Dynamic Programming

PROJECTS

Stray Dog Detection System *AI / Machine Learning*

- Developed an AI-based system to identify stray dogs using computer vision and image classification techniques.
- Used Python and machine learning approaches for image-based detection.

Personal Loan Management System *Backend Development*

- Developed a backend application for loan management and repayment tracking.
- Implemented database operations and user authentication to manage loan-related information.

Disease Prediction Using Machine Learning *AI / Machine Learning*

- Developed a symptom-based disease prediction system using machine learning techniques.
- Performed data cleaning, preprocessing, and exploratory data analysis to prepare the dataset.
- Implemented and evaluated Random Forest, Decision Tree, Logistic Regression, SVM, KNN, and Naive Bayes algorithms.
- Compared model performance using accuracy metrics.

INTERNSHIP EXPERIENCE

Data Science and Machine Learning Intern *AIDAS Technologies, Tidel Park*

- Worked on machine learning and data analysis tasks using real-world datasets.
- Practiced data preprocessing, model development, and web technologies including HTML, CSS, and JavaScript.

Cyber Security and Ethical Hacking Intern *CODTECH IT SOLUTIONS*

ACHIEVEMENTS

- College-Level Finalist – Smart India Hackathon (SIH), 2025.
- Department-Level Finalist – Smart India Hackathon (SIH), 2026.
- Solved 200+ problems on LeetCode.
- Junior Grade English Typewriting – Government of Tamil Nadu.
